

ACROSTIC

J went to London with my friends two weeks ago

Exams, class, homework... **J** forgot those things for 5 days

St. Paul's Cathedral is beautiful, but in my opinion, Westminster Abbey is the most interesting church in London

Zara is one of the most popular shops.

Al Fayed bought the biggest shop in Europe, Harrods.

Picadilly Circus **J** loved, there were Neon Lights on.

At the Hotel everything was good, but the food..., **J** can't describe it with words

Tate modern is near "the Globe", the theatre of Shakespeare.

Oxford University has got 25 colleges scattered along the city.

Now **J**'m at home, and **J** wish **J** was there
