

## ACROSTIC

*I don't like school*

*English and maths aren't so cool*

*Summertime comes,*

*Zero is my mark*

*And I have to study,*

*Pass all the exams.*

*All worried, students, mums*

*The strikes come,*

*Oh! There's no class*

*No one comes, I'll follow the mass.*

*Emil Bukovica, 1<sup>o</sup> BC*
